**RE: REQUEST FOR ACTION OF STREET LIGHTS AT BROTHERHOOD, AIRPORT WARD, CHANGAMWE SUB-COUNTY.**

Ajenda Kenya and Mombasa Young Mothers are youth-led organizations formed in 2018 and 2022 respectively, whose operation is in Mombasa County. These organizations seek to address the growing gaps of youth grievances in the communities and in a special way enhance youth participation and voices in addressing local issues.

Following a community baraza with Airport Ward community members on 15<sup>th</sup> February 2024, the community members raised various concerns. The community has experienced security issues due to the lack of working street lights. It will be of great help to the community if the street lights are installed or changed.

As such, we kindly request your mitigation measures to have satisfactory services for the improvement of the community's safety needs. The major concerns identified included;

- Vandalism by unknown people who steal copper from the poles causing the streetlights to malfunction

- The lack of functioning street lights poses a risk of increased insecurity to the Brotherhood community
- Lack of Maintenance of the existing streets lights which increases the risk of damage

Your prompt response will be highly appreciated.

Yours Sincerely,
