

BUDGET PROCESS & CIVIC-TECH ENGAGEMENT

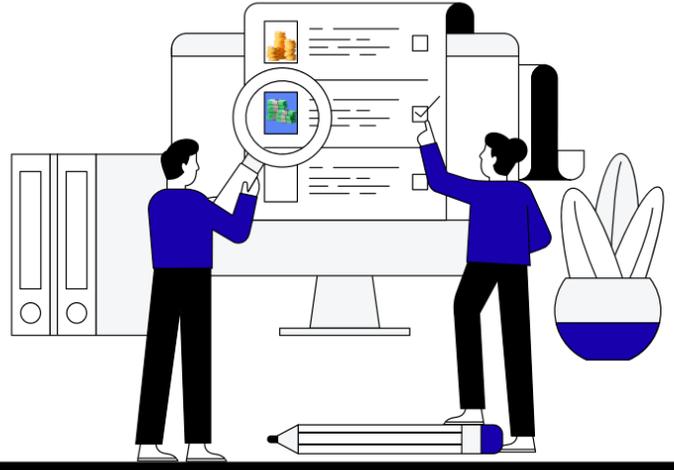

HOW YOUTH CAN PARTICIPATE & MONITOR THE BUDGET

Step 1: Planning Stage

Government drafts priorities; youth can give input digitally.

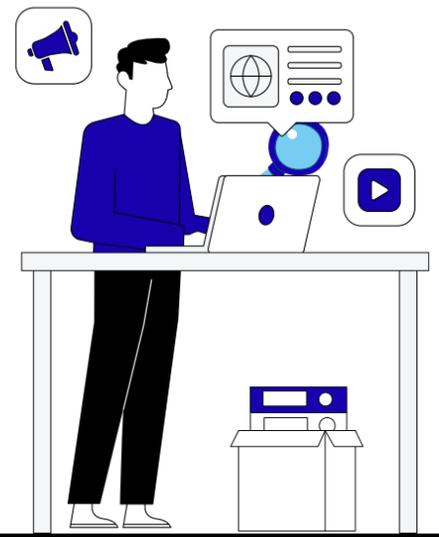

01

Formulation Stage

Ministries prepare budget proposals; civic-tech tools help track allocations.

02

Approval Stage

Parliament reviews and passes the Appropriation Act; youth can follow hearings online.

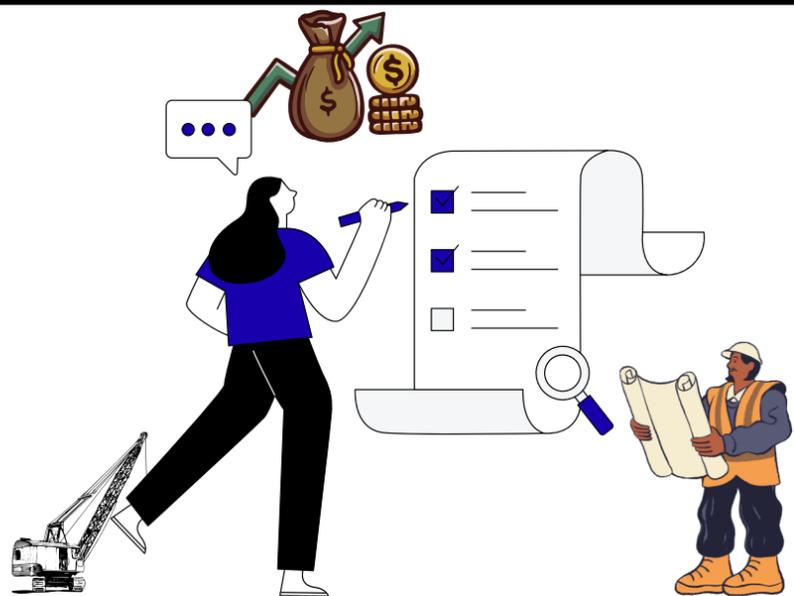

03

Implementation Stage

Funds are released; projects start; digital platforms track progress.

04

Monitoring & Feedback

Auditor-General checks spending; youth report misuse through digital tools.
